Kwame Nkrumah spent his life campaigning for a united Africa where every state would be free from colonial rule. In this biographical history of Nkrumah, Ocran leads us through the life and politics of this controversial character who describes his policies as scientific socialism and whose influence continues to reach into modern Ghana today. Parallels are drawn with many of the great historical figures such as Pericles, a prominent Greek orator and Cato the Elder, a determined Roman statesman, but it is left to the reader to draw conclusions on Kwame Nkrumah, the first President of Ghana.
