In the second book of the explosive Search and Destroy thriller series, Mason Kane—a special ops hero with a questionable past, joins forces with the CIA to neutralize a radical off shoot of ISIS and unravel a conspiracy emanating from the White House’s inner sanctum.

After almost losing his life, foiling a terror plot that threatened to draw the United States into another war—Mason Kane, disgraced American soldier, and special operations legend is still on the governments blacklist. To finally clear his name, Mason strikes a deal with the CIA—throwing himself back into the deadly world of black ops.

But when an asset tied to ISIS leads an old friend into a trap, Mason goes off the grid, and finds himself trapped in the middle of a plot involving an extremely violent and highly capable terror cell—with ties to the President’s inner circle. With the help of Renee Hart, a DOD operative, and a team of elite special ops soldiers, Mason is determined to stop an attack aimed at crippling the US military before time runs out.

Set in the shadows of the war on terror, and inspired by experiences of 82nd Airborne Paratrooper Joshua Hood, *Warning Order* is an action packed thriller full of shocking twists and non-stop action that throws the reader into the murky world of clandestine operations.
