A faerie prince disappears in the borderlands, and his father enlists the help of outcast Eilidh and her bonded druid, Quinton Munro. Tantalised with hints of a lost and ancient magic, they learn that time is working against them every step of the way. Is the prince's disappearance related to the vanishing of an entire Scottish village? Faced with deception, assassination attempts, and a mad queen who would sacrifice her own child to keep a dreaded secret, Eilidh struggles with an impossible situation. Her people demand she commit treason and betray the man she loves. Will she do what duty requires, or throw away the chance to reunite the kingdom in exchange for the life she hadn't dared hope for?

The Caledonia Fae Fantasy Books

The modern tale begins in Perth, Scotland, where a police constable chases a serial killer, only to discover the crime has roots in the supernatural, a paranormal reality he never knew existed. During his murder investigation, contact with a mysterious woman stirs his dormant druidic powers, changing his life forever. She, and the killer, are fae.

In this bestselling urban and epic fantasy book series, humans are plucked from Scotland, England, The Netherlands, Germany, The United States, Australia, and elsewhere and transported into the faerie realm.
