Secret Lives of Cheating Wives: A Novel Curtis Bunn

Delve into the minds of several frisky women who are willing to risk it all in the pursuit of pleasure from bestselling author Curtis Bunn.

With sensual language and a unique understanding of women, *The Secret Lives of Cheating Wives* by Curtis Bunn is a gripping novel that reveals the lengths today's women will go to indulge their deepest desires.

The most unlikely of women—God-fearing, child-raising, career-driven, soft-spoken women—are taking risks outside their marriages unlike any time before, a state of affairs that has become an underground movement. Refusing to boast about their extramarital affairs like men, these women keep quiet and yet, the more they engage, the more daring they become—and the more at risk their marriages become, too.

With relatable and complex characters, *The Secret Lives of Cheating Wives*, is more than your typical romance: it strives to explore the psyche of these women and challenges you into understanding their actions, all while enjoying a tense, steamy ride filled with edge-of-your-seat drama.
