Violet has lost her memory, and her sense of self—but can she decide who she wants to be in time to save the world? Find out in this sequel to *Falls the Shadow*, which *Kirkus Reviews* called perfect “for fans of *Divergent* and *The Hunger Games*.”

Violet Benson used to know who she was: a dead girl’s clone, with a dead girl’s memories. But after Huxley’s attempt to take over the government left her memories and personality wiped, all she has left is a mission: help the CCA fight back against the rest of Huxley’s deadly clones that are still at large.

But when a group of clones infiltrate CCA headquarters, Violet is blamed. Already unsure of where her loyalties should lie, Violet finds herself running away with an unlikely ally: Seth, Jaxon’s unpredictable foster brother. With Seth at her side, Violet begins to learn about a whole new side of her city’s history—and her own.

But when she learns the shocking truth about cloning, Violet will have to make a choice—and it may be one that takes her away from everyone she ever loved.
