Long Island's history is well known, but often overlooked are the island's unique and bizarre stories and treasures--the most interesting locations and darkest legends. From hidden haunts and legends like the Indian Princess of Lake Ronkonkoma to well-known events like the Amityville Horror House murders, this collection chronicles the tales of restless spirits, unrequited loves and otherworldly visits that riddle the island. There is much to be seen along the roadside, too, including the beloved Big Duck, the Riverhead Indian and even the grave site of Nixon's dog, Checkers. Through history, pictures and the personal experiences of a ten-year endeavor, authors John and Laura Leita brings to life Long Island's abandoned structures, including psychiatric hospitals and other ruins waiting to be rediscovered. Join the Leitas as they go in search of the delightfully quirky side of Long Island.
