Long Time No See (The Judith Singer Series Book 1) Susan Isaacs

The heroine of *Compromising Positions* returns to investigate a disappearance

Where did Courtney Logan go? The former investment banker turned suburban dilettante had not lived in Shorehaven for long, but had begun to establish herself there. Her small business—a video production company dedicated to filming newborns—was taking off, and she seemed to have settled into life outside of the big city. Then, suddenly, she disappeared.

Judith Singer wants to find her. Two decades after the thrilling case of a murdered dentist, the Long Island housewife is now town historian—and recently widowed. She needs a hobby, and Courtney Logan's disappearance seems like just her kind of fun.

This ebook features an illustrated biography of Susan Isaacs, including rare photos from the author's personal collection.
