«Los Baldrich me ha devuelto la Barcelona de mi infancia, la de Rodoreda; un Madrid genuino y el gusto por la novela.» LUIS EDUARDO AUTE Desde muy joven, Jenaro Baldrich tiene claros sus objetivos: formar una familia, fundar un negocio en la maltrecha Barcelona de posguerra y llegar lo más alto posible. Nada impedirá que se dedique a la conquista de sus ideales, aunque en el camino olvide el sueño de un clan unido y bien asentado. Ésta es la crónica de una ambición, la historia de un hombre capaz de todo menos de traicionarse a sí mismo. El retrato certero de una familia acomodada en la que los hijos deberán huir de un hogar opresivo antes de que el noble apellido Baldrich acabe con ellos. La codicia y la incomunicación, pero también la generosidad, el amor y la lujuria dan cuerpo a esta fascinante novela de Use Lahoz. Un relato agri dulce de la España del último siglo que posee la maestría de las grandes sagas clásicas. «Un estilo narrativo vivaz y con abundantes marcas que delatan la impregnación de García Márquez.» Ricardo Senabre, El Cultural «Algunas escenas de gran ambición literaria permanecen en la memoria del lector.» Manuel Longares «Lahoz demuestra una singular habilidad para narrar y un excelente manejo del lenguaje. Espero su próxima novela, pues aquí hay autor para rato.» Marta Rivera de la Cruz «Me ha gustado sobremanera la novela Los Baldrich, retrato progresivo de Barcelona a través de una familia industrial y descompuesta.» Carlos Herrera, XL Semanal «Lahoz ha construido una novela en ocasiones realmente poderosa.» Juan Antonio Masoliver Ródenas, La Vanguardia «Hay recogida una materia narrativa de enorme interés por el choque que enfrenta la figura del padre autoritario y la necesidad que unos hijos van teniendo de construir su habitación propia, con desertiones y tragedias incluidas. Se lee bastante bien, atrapa la atención por algunas escenas celebradas por el lector como procedentes de un escritor con fuerza.» José María Pozuelo Yvancos, ABCD
