Luz de agosto (Spanish Edition)

William Faulkner

Luz de agosto (Spanish Edition) William Faulkner

***Luz de agosto* es una de las obras más representativas del Premio Nobel de Literatura William Faulkner.**

En *Luz de agosto* aparecen retratados algunos de los personajes más memorables de Faulkner: la cándida e intrépida Lena Grove en busca del padre de su hijo; el reverendo Gal Hightower -atortado por constante visiones de soldados de caballería confederados- y Joe Christmas, un misterioso vagabundo consumido por los orígenes raciales de sus antepasados.

Faulkner, además de haber sido el innovador de una forma de narrar que ha influido poderosamente en las generaciones que le han continuado, fue el cronista de los más notables hechos, costumbres y personajes de su tierra.

Luz de agosto es una de las obras más representativas de un hombre que, trabajando sobre la historia y haciendo campear la imaginación, logró convertirse en uno de los escritores más importantes de este siglo.
