Solemn rancher Alex Connor was looking for a good woman. To be more precise, he was looking for a surrogate to bear his babies. He had it all figured out: he'd be a single dad completely devoted to his children. But after his first meeting with obstetrician Dr. Selena Ramirez, all his carefully made plans flew out the window.

Selena knew she'd be able to help Alex, though not in the way he might imagine. Common sense told her to run when the sexy green-eyed cowboy admitted he wanted her. What kind of crazy fate had brought a man yearning for offspring to a woman who couldn't have any? What kind of crazy girl would gamble on a man whose heart was already taken?
