Amaro: The Spirited World of Bittersweet, Herbal Liqueurs, with Cocktails, Recipes, and Formulas

Brad Thomas Parsons

The European tradition of making bittersweet liqueurs--called *amari* in Italian--has been around for centuries. But it is only recently that these herbaceous digestifs have moved from the dusty back bar to center stage in the United States, and become a key ingredient on cocktail lists in the country's best bars and restaurants. Lucky for us, today there is a dizzying range of amaro available—from familiar favorites like Averna and Fernet-Branca, to the growing category of regional, American-made amaro.

Amaro is the first book to demystify this ever-expanding, bittersweet world, and a must-have for any home cocktail enthusiast or industry professional. Starting with a rip-roaring tour of bars, cafés, and distilleries in Italy, amaro's spiritual home, Brad Thomas Parsons—author of the James Beard and IACP Award–winner *Bitters*—will open your eyes to the rich history and vibrant culture of amaro today. With more than 100 recipes for amaro-centric cocktails, DIY amaro, and even amaro-spiked desserts, you'll be living (and drinking) *la dolce vita*.

From the Hardcover edition.
