Europa sin euros (ECONOMÍA) (Spanish Edition) David Marsh

EL LIBRO MÁS BREVE, ATREVIDO Y CONCISO SOBRE LA CRISIS DEL EURO.

La cohesión y el liderazgo que Europa pretendía lograr con la unificación monetaria hoy están muy lejos de alcanzarse. Las tensiones dentro de la Unión Económica y Monetaria son patentes y el distanciamiento de sus miembros cada vez mayor. David Marsh sintetiza en esta obra el escenario en el que se han movido hasta ahora los países de la eurozona, señala de forma implacable los errores que se han cometido, propone medidas para el fortalecimiento de la Unión Europea y advierte de los serios peligros que supone no implementar soluciones concretas y radicales para resolver una crisis que puede prolongarse de forma indefinida.

David Marsh, (1952)

Analista de economía y finanzas especializado en el contexto europeo. Estudió Química en la Universidad de Oxford, pero en 1973 se inclinó hacia el periodismo y entró a trabajar en la agencia Reuters. Entre 1978 y 1995 trabajó en el Financial Times, llegó a ser el responsable de la zona europea. Cofundador y presidente del Official Monetary and Financial Institutions Forum (OMFIF), ha trabajado en el periódico financiero *Handelsblatt* y en diversas entidades de la City londinense, y ha escrito varios libros centrados en analizar diferentes aspectos de la economía en Europa, como *El Bundesbank* (1992) y *The Euro: The Politics of the New Global Currency* (1994).
