Stolen, Smuggled, Sold: On the Hunt for Cultural Treasures Nancy Moses

Stolen, Smuggled Sold: On the Hunt for Cultural Treasures tells the dark and compelling stories of iconic cultural objects that were stolen, smuggled or sold, and eventually returned back to their original owner.

There are many books about museum heists, Holocaust artwork, insider theft, trafficking in antiquities, and stolen Native American objects. Now, there's finally a book for the general public that covers the entire terrain. The book includes full-color photos of the objects.

Stolen, Smuggled, Sold features seven vivid and true stories in which the reader joins the author as she uncovers a cultural treasure and follows its often-convoluted trail. Along the way author and reader encounter a cast of fascinating characters from the underbelly of the cultural world: unscrupulous grave robbers, sinister middlemen, ruthless art dealers, venal Nazis, canny lawyers, valiant academics, unstoppable investigative reporters, unwitting curators, and dedicated government officials. Stories include Gustav Klimt's Portrait of Adele Bloch-Bauer 1, the typeset manuscript for Pearl Buck's *The Good Earth*, a ceremonial Ghost Dance shirt from the massacre at Wounded Knee, the theft of 4,800 historical audio discs by a top official at the National Archives, a missing original copy of The Bill of Rights, the mummy of Ramses I, and an ancient treasure from Iraq.

While each story is fascinating in and of itself, together they address one of the hottest issues in the museum world: how to deal with the millions of items that have breaks in the chain of ownership, suspicious ownership records, or no provenance at all. The issue of ownership touches on professional practices, international protocols, and national laws. It's a financial issue since the illicit trade in antiquities and cultural items generates as much as \$4 billion to \$8 billion a year.

Robert Spann:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Stolen, Smuggled, Sold: On the Hunt for Cultural Treasures can make you feel more

interested to read.
