In the small town of Grandon, five very different people discover the true meaning of Christmas. Jennifer and Ryan are both single parents, struggling with their own losses and heartache as they attempt to move forward in the present while still holding onto the memories, joy, and heartache of the past. Sixteen-year-old Kaylee is faced with a life-changing situation that has affected her whole family. Stephen and Lily are happily married and ready to start a family. All of them are facing their own struggles, and all are finding their way through the dark. When they are brought together for a rather unconventional church Nativity, they will learn that with strength, courage, and love, there is always hope. The *New York Times* bestselling author of the beloved *The Christmas Hope* series returns with this new heartwarming, inspirational story about the power of love and faith to reveal the possibilities that lay right in front of you.
