Harlow and her brother, Cash, own a high-end dog collar business in the heart of Seattle. She is on the brink of spinsterhood until one misstep changes everything. Her whole life turns upside down and for once she is truly living. Cole is at the top of his game as an advertising guru. He doesn't do relationships nor does he have the time for the drama that follows them. Then he helps a quirky damsel in distress and he can't get her out of his mind. Can Harlow step out of her carefully constructed world to find love or will the walls that she built around her heart harden further?
