3D Quilling. The art of rolling paper Zhanna Shkvyria

We offer you a new direction in craftwork — Volume Quilling. With bright paper strips you can make amazing three-dimensional characters that look like sculptures.

Merry Mole, motherly Hen, a fairy tale Coach and a street Fountain — it is not the full list of what can be done from corrugated cardboard strips. The bright designs can be used in story games, given to a friend as a gift or made a piece of decoration in a child's room. Children can make a fantasy world around them and learn at the same time! Detailed instructions will make the work with the corrugated cardboard simple and enjoyable. Mastering this technique, a child learns to combine colours, relate sizes and even calculate the center of gravity. This book presents the latest ideas for making new masterpieces!
