## 50 Moral Tales Prem P. Bhalla

All the stories in this book revolve around the teachings of Swami Paramananda, a teacher who renounced worldly life to adopt sanyas. Even as a teacher, he taught through stories. His students loved it, since it was easier to comprehend the subject. They referred to his stories as Guruji's stories. Guruji would tell students and disciples his favourite stories – each based upon an eternal truth – and explain these in greater detail, if necessary. Guruji's stories are based upon popular proverbs on life and living. Each story is inspiring and thought-provoking.
