This unusual collection of stencil designs showcases the sinuous elegance of Art Nouveau, with 44 plates dating from the 1920s. Inspired by interior and exterior architectural ornaments of buildings in France and Britain, the designs are meticulously reproduced from a rare vintage publication.

Attractive patterns range from decorations for churches, drawing rooms, nurseries, and everything in between, including halls, galleries, and corners. The elaborate borders, friezes, and festoons include exquisite images of children, animals, birds, rosettes, and heraldic designs. These finely detailed, royalty-free patterns are an invaluable resource, perfect for adding a distinctive note to fabrics, stained glass, wallpaper, and a host of other art and craft projects. Browsers and devotees of the Art Nouveau style will also appreciate this treasury of striking stencil designs.
