La historia comienza (Biblioteca Amos Oz) (Spanish Edition) Amos Oz

Amos Oz, PREMIO PRÍNCIPE DE ASTURIAS DE LAS LETRAS 2007

Algunos grandes escritores escriben y vuelven a escribir cientos de veces la primera frase de su libro, y nunca pasan de ahí. Otros desisten y, quizá desesperados, deciden empezar con lo primero que se les ocurre. Comenzar a contar una historia, dice Amos Oz, es como intentar conquistar en un restaurante a una persona totalmente desconocida. En el análisis que hace de los fragmentos iniciales de algunas novelas y relatos de Gógol, Kafka, Chéjov, Carver o García Márquez, así como en sus referencias a otros clásicos de la literatura universal, Oz desafía, guía y entretiene. Además, explora con humor y pasión el motivo por el cual el comienzo resulta tan importante como el final, analizando esos primeros párrafos donde los autores hacen promesas que tal vez no cumplen, o lo hacen de una manera inesperada...

«La historia comienza es la aventura de un lector explicada a otros lectores, las claves de lectura que uno cree entrever reveladas con júbilo al lector anónimo. Es un ejercicio de crítica literaria, un anzuelo eficaz lanzado con ímpetu a lectores renuentes y, por encima de todo, un divertimento a vueltas con los protocolos de la lectura». Babelia, El País

«Oz es un escritor de genio revelador.»

The Guardian

«Todos los libros de Amos Oz, tanto sus novelas como sus ensayos, son humanos, complicados, sutiles y están llenos de paz.»

The Observer

From reader reviews:

William Chapman:

As people who live in the particular modest era should be change about what going on or data even knowledge to make these keep up with the era and that is always change and advance. Some of you maybe may update themselves by reading books. It is a good choice for you but the problems coming to an individual is you don't know what kind you should start with. This La historia comienza (Biblioteca Amos Oz) (Spanish Edition) is our recommendation to make you keep up with the world. Why, because book serves what you want and want in this era.

James Sanchez:

Information is provisions for anyone to get better life, information presently can get by anyone at everywhere. The information can be a understanding or any news even an issue. What people must be consider whenever those information which is inside the former life are hard to be find than now is taking seriously which one works to believe or which one the particular resource are convinced. If you have the unstable resource then you understand it as your main information we will see huge disadvantage for you. All of those possibilities will not happen with you if you take La historia comienza (Biblioteca Amos Oz) (Spanish Edition) as your daily resource information.

Audrey Stockman:

Playing with family in a very park, coming to see the coastal world or hanging out with pals is thing that usually you could have done when you have spare time, then why you don't try factor that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love La historia comienza (Biblioteca Amos Oz) (Spanish Edition), you may enjoy both. It is fine combination right, you still need to miss it? What kind of hang type is it? Oh can happen its mind hangout people. What? Still don't have it, oh come on its referred to as reading friends.

Heather Robertson:

Reading a book to get new life style in this yr; every people loves to read a book. When you learn a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your examine, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, along with soon. The La historia comienza (Biblioteca Amos Oz) (Spanish Edition) will give you a new experience in examining a book.
