The Fallen Gwen Hayes

Love will redeem them...or damn their souls.

As Darkfall gains a foothold in the small coastal town of Serendipity Falls, Bridget, a witch and healer, fights a battle on two fronts. Against the chaos bleeding through the fissures of a cracked portal between realms, and against her attraction to a fallen angel with his own agenda. Talon's dark ways and mysterious magics go against everything she believes in, but he's the only man she's ever loved.

Talon, forever haunted by his fall from grace and his ceaseless desire for the headstrong Bridget, longs for what he can never possess. Though he is no longer her guardian, she tempts him with pleasure he can never touch and emotions he can never reveal.

Caught on opposite sides in a war between good and evil, they struggle against their mutual passion. Then an ancient prophecy points to the one who will break the portal wide open and shift the balance of power: Bridget. She has no choice but to turn to Talon, and the love that will damn their souls—or save the world.
