The French Polity

William Safran

The French Polity William Safran

Focusing on the interplay between individual and institutions, *The French Polity* is the most current and comprehensive text for introducing students to the changing and enduring characteristics of the French political scene. It combines historical perspective and contextual information on French society to clearly explain the evolution and health of this country, political institutions, process, and culture. Throughout, William Safran, a leading area studies expert, goes beyond description to offer original analyses of French politics.
