Conflict, Diplomacy and Society in Israeli-Lebanese Relations

Conflict, Diplomacy and Society in Israeli-Lebanese Relations

This book is a wide-ranging and innovative study of Israeli-Lebanese relations from the birth of the Jewish state in 1948 to the Israel-Lebanon War of 2006. Israel's relationship with its Arab neighbours is a subject of perennial interest in the Middle East. The relationship between Israel and Lebanon has taken numerous forms since the establishment of the Jewish state and the chapters in this timely and important volume provide a comprehensive, detailed and informative analysis of the evolving ties between the two countries up to the present day. The contributors are drawn from numerous disciplines in the social sciences and humanities; and contributions range from the impact of the Arab-Israeli conflict on the Jews of Lebanon, to the role of external powers (the EU, the US and Arab world) on Israeli-Lebanese relations, as well as the legal mechanisms regulating the bilateral political relationship to the Palestinian Refugee problem as a factor in Israeli-Lebanese relations.

This book was published as a special issue of *Israel Affairs*.
