History of the Sixteenth Connecticut Volunteers

B. F. Blakeslee

History of the Sixteenth Connecticut Volunteers B. F. Blakeslee

It is to be regretted that a complete history of the 16th Regiment, Connecticut Volunteers, has not been written. At this late day it would require much time, labor, and expense, to prepare one, and probably will never be done. Many volumes might be written which would be of inestimable value hereafter. Their services in the War for the Union cannot be placed upon a few pages. This volume is but a mere outline history, mostly compiled from diaries written by me at a young age, the importance of which was not then comprehended; with no expectation of the future use they would be put to,—but little was written, and that mostly concerned myself. It is the object of this work to create a permanent record of some of the marches, battles, and experiences generally of the organization above mentioned. This undertaking is made in behalf of the surviving members of the regiment, to whom it is hoped the work will prove of some value as a book of reference. The hope is also expressed that this work may prove a not unwelcome though sad memorial to the friends of those members of the regiment who lost their lives in battle or prison. The author is unaccustomed to historical composition, and makes no boast of literary education.
