From Book 1:

It's all quasi-legal fun until somebody gets framed for murder.

Miss Misery, Book 1

Jessica Moore thrives on misery. Literally. Thanks to a goblin's curse, she gets a magical high from humanity's suffering. A shameful talent like that could bury a girl in guilt, so to atone, she uses her dark power to hunt murderers, rapists and other scumbags—until one of them frames her for his crimes.

In desperation, Jessica seeks refuge with the one person she trusts to not turn her in—a satyr named Lucen. Like every member of his race, Lucen uses his lusty magic to control Boston's human population, and Jessica isn't immune to his power. But the murder victims belonged to a rival race, and when they discover Lucen is harboring Jessica, dodging the cops becomes the least of her problems.

With only five days to find the real killer, Jessica faces a danger far more serious than the brewing magical war. The danger of succumbing to Lucen's molten seduction.

Warning: Contains a heroine with a lust for misery, creepy murders, and creepier goblins, satyrs so hot you'd sell your soul for one, and scaly sewer rats masquerading as dragons. Who said magic was all sparkles and tiaras?
