The Complete Grimm's Fairy Tales

Brothers Grimm, Jacob Grimm, Wilhelm Grimm

The Complete Grimm's Fairy Tales Brothers Grimm, Jacob Grimm, Wilhelm Grimm

Once upon a time, two brothers wished to preserve their German folklore in a collection of tales that they believed had been handed down for generations. When they began in 1812 they had just 86 stories that rather harshly reflected the difficult life of European peasantry. Subsequent editions would grow to hold over 200 tales. As time passed, the Brothers Grimm found that their collection of fairy tales, with all of its royalty, magical creatures, and brave adventures, entranced those who read them. This compilation of fairy tales which includes the complete canon of over 200 tales has become a beloved set of classical stories the world over. Presented here in this edition is the faithful translation of Margaret Hunt.
