The Edge of Revolt (The David Chronicles Book 3) Uvi Poznansky

Struggling to find the right balance between loving his sons and upholding justice, David is silent when Amnon rapes his daughter, Tamar, and when Absalom lures Amnon to his death. These crimes go unpunished, because a mysterious change has come upon the king, which his court scribes note even before he does. In the past he had to explain his actions, such as the affair with Bathsheba, to them. Now, they want to understand the opposite thing: his lack of action.

In families other than his, such matters may be a mere matter of gossip. Yet when assault, incest, and murder occur in the king's family, they affect matters of the state. Beset by court intrigue, David is toppled from his throne, and must escape from the son he adores, Absalom.

Even as he finds a way to quell the revolt and come back to the City of David, the road ahead seems unclear. How will he find the right successor amongst his remaining sons, the one who will connect to him and continue his legacy?

This standalone King David novel is volume III of *The David Chronicles*, one of ancient historical fiction series best sellers of all time about king David's wives. It is told candidly by the king himself. David uses modern language, indicating that this is no fairytale. Rather, it is a story that is happening here and now. Each volume can be read as a standalone novel. Taken together, they put you in the skin of the character from youth to old age.
