In a world torn apart by an unprecedented terrorist attack, Amélie Hatch's life has been thrown into chaos. Safety is fleeting, and there is no rest for a group of Saints fighting to survive . . . Despite the looming threat of terrorism, Amélie's safe arrival in Salt Lake City should have been the triumphant conclusion to her harrowing journey. With the promise of a future with her true love, Zack, she finds a glimmer of light amidst the bleak unrest of the nation. But Amélie and Zack quickly realize that their journey is far from finished. With the nation's power grid still compromised and enemy forces drawing closer, Utah is no longer a safe haven—it's time to move on. And this time, they find themselves forced apart as they embark on separate missions that will test their endurance and threaten all they hold dear. Amélie can only wonder: does Missouri truly hold the key to their deliverance, or will they be forced to run forever?
