Timely Conquest

Jerry P. Martinez

Timely Conquest Jerry P. Martinez

Luciano Herrera never backed away from a fight. He was a tough man from a tough place northern New Mexico. When the U.S. Army entered New Mexico in 1846, Luciano knew that changes were coming. The rules of the old frontier no longer applied. American law now governed New Mexico. When Luciano caught his wife in bed with another man, he faced a difficult decision. Before the U.S. conquest, Luciano would have killed the other man without hesitation. But faced with the possibility of doing time in an American prison, Luciano spared the man's life, setting off a series of events that would bring great misfortune to Luciano and his family. For the rest of his life, Luciano was haunted by his decision and struggled to maintain his sense of honor in a changing world. In *Timely Conquest*, Jerry Martinez tells the story of his great-grandfathers, Luciano Herrera and Jesús María Martín, as they adapt to life in New Mexico under U.S. control. They trade and travel with Americans and Indians, they fight in the Civil War, and they experience love and loss. *Timely Conquest* offers a fascinating snapshot of a time of change for the American West and for the people who called it home.

From reader reviews:

Lisa Morgan:

As people who live in the particular modest era should be upgrade about what going on or details even knowledge to make these people keep up with the era and that is always change and advance. Some of you maybe will certainly update themselves by examining books. It is a good choice for you but the problems coming to anyone is you don't know which you should start with. This Timely Conquest is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

Adam Whittington:

Information is provisions for people to get better life, information presently can get by anyone on everywhere. The information can be a know-how or any news even a problem. What people must be consider when those information which is in the former life are difficult to be find than now's taking seriously which one would work to believe or which one the resource are convinced. If you get the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take Timely Conquest as the daily resource information.

Irene Parker:

A lot of people always spent their very own free time to vacation or go to the outside with them loved ones or their friend. Were you aware? Many a lot of people spent they free time just watching TV, or maybe playing video games all day long. If you want to try to find a new activity that's look different you can read any book.
