Ali Pacha (Alexandre Dumas Collection) Alexandre Dumas

Dodo Collections brings you another classic from Alexandre Dumas, 'Ali Pacha.'

In this seventh volume of his Celebrated Crimes, Dumas tells the three tales: of the brutal excesses of Ali Pacha; the tale of the Countess of Saint Geran; and of Murat, whose courage became a legend in the days of the French revolution.

Few men have understood themselves better or been on better terms with the orbit of their existence than Ali Pacha, and as the personality of an individual is all the more striking, in proportion as it reflects the manners and ideas of the time and country in which he has lived, so the figure of Ali Pacha stands out, if not one of the most brilliant, at least one of the most singular in contemporary history.

Alexandre Dumas was a French writer, best known for his numerous historical novels of high adventure which have made him one of the most widely read French authors in the world. Many of his novels, including The Count of Monte Cristo, The Three Musketeers, The Man in the Iron Mask, and The Vicomte de Bragelonne were serialized. Dumas also wrote plays and magazine articles, and was a prolific correspondent.
