Yet every hour they spend together exploring the past leads them to a very present and irresistible temptation...

Neither actress Sarah Haye nor London's most eligible bachelor, Sebastian Commin, the Earl of Deane has ever forgotten their scandalous night of white hot passion—and the differences that make a future together impossible. Yet they find themselves back together as they try to solve the mystery of a brutal attack on an Imnada shape-shifter and a sinister entity known as the Naxos. When the Naxos strike again, Sarah realizes she's willing to risk a little scandal to save the world...and the man she loves.

So when the notorious scoundrel Lt. Jack Ramsay turns his dangerous charms her way, she's more than a little suspicious. But he's after something else—something that leads the couple on a mission both complicated and deadly.
