Poison Heart: A Novel of Suspense (Claire Watkins Book 5) Mary Logue

Fall comes to Pepin County with a vengeance as Deputy Sheriff Claire Watkins confronts a new evil festering beneath the placid surface of the Wisconsin farm community. A refugee from the Twin Cities, Claire has slowly adapted to small-town life—especially now that she loves and lives with Rich Haggard. But in this rural area, other folks are dangerously restless.

One is Daniel Reiner, a wealthy part-time resident who's been buying up too much land—at least as far as the locals are concerned. Another is gambling addict and aging gold digger Patty Jo Tilde, who recently married a widower twenty years her senior. Patty is itching to inherit her husband's property, sell it to Reiner, and leave the countryside behind. The only stumbling block—her husband must die.

Add to the mix a suspicious goat-herding daughter-in-law and a wounded elk, and things quickly reach a boiling point. As Claire Watkins delves deeper into the mystery, she believes she's uncovered a deadly history of lies, deceit, arson, and poison. Her problem is to prove it—and then she learns what happened to Patty Jo's last husband. . . .

Evoking the strong community values and the natural beauty of the Mississippi River Valley, this new Claire Watkins novel is Logue's most exciting yet. *Poison Heart* is a riveting tale of those who live off the land—and those who end up six feet under it.

From the Hardcover edition.
