Machismo, feminismo, homosexualismo (Spanish Edition) Rius

Como autor de libros, Rius empezó a gestarse en las páginas de su segunda gran historieta, Los Agachados. Con base en la caricatura, el cómic, el dibujo, el collage y, obviamente, el humor, decidió no sólo divertir y politizar a sus lectores sino también instruirlos mediante información crítica.

Con este concepto abordó temas prácticamente prohibidos, como es el caso del que contiene el presente libro, derivado de varios números de su historieta.

Machismo, feminismo, homosexualismo es de una actualidad pasmosa: por desgracia los machos no han desaparecido, la violencia de género está a la orden del día, la discriminación contra las mujeres sigue presente y, en pleno 2010, la homosexualidad es condenada por la Iglesia y gran parte de la opinión pública manipulada por los medios. En estas páginas, Rius tiene mucho que decirnos al respecto.
