Piedralén: Historia de un campesino. De Cuba a la Guerra Civil (Estudios) (Spanish Edition) Carlos Gil Andrés

¿Qué huella deja la vida de un hombre corriente? ¿Qué rastro queda en los archivos de la existencia de un campesino anónimo? Un suceso extraordinario, un sumario militar por desertión en la guerra de Cuba, abre un relato que reconstruye la biografía de un pequeño agricultor de un pueblo riojano, Cervera del Río Alhama, a lo largo de la primera mitad del siglo XX, entre el Desastre del 98 y los primeros años del franquismo, con la tragedia de la Guerra Civil como telón de fondo. En los márgenes de la biografía, este libro aborda dos de las cuestiones centrales del novecientos, la barbarie de la guerra y el declive del mundo rural tradicional. Además, el autor se sirve de los hechos para encarar un asunto delicado y trascendente: las complejas relaciones que existen entre las estructuras históricas, los acontecimientos y los sujetos individuales. Estamos, pues, no sólo frente a un texto de historia que arroja luz sobre un período y unos acontecimientos desde una perspectiva y una voz diferentes, sino ante una fascinante y original exploración sobre el espacio que ocupa la acción humana.
