Safe Schools: A Security and Loss Prevention Plan J. Barry Hylton

Safe Schools: A Security & Loss Prevention Plan is an excellent reference for school administrators, school safety personnel and law enforcement for creating a safe and secure academic environment. Addressing a wide range of security programs and measures which have been proven to be effective, Safe Schools serves as a manual for safeguarding students, employees, visitors, material and the property of school district.

This book addresses a wide range of security programs and measures which have been proven to be effective. Essential topics discussed in this manual are:

Bomb threats and checklists

Drug and alcohol testing

Random inspection

Metal detector and search guidelines

Emergency and response plans

Security assessment and survey tools

Loss prevention and physical security

Intrusion detection systems

Employee and security education and training

Minimum training standards

Operating procedures

Crime prevention, security awareness and support of security programs are more effective and less costly than dealing with criminal incidents and public relations challenges after the fact. Safe Schools: A Security and Loss Prevention Plan allows school personnel to become proactive instead of reactive and to gain control of the school environment.

Provides a model security and loss prevention plan with sample security surveys, reports, and programs.

Written by an author with more than 28 years training, leadership, working experience, and knowledge in the field of law enforcement and security management.

Serves as an excellent reference source for anyone involved in school security.
