The Litigators

Lindsay G. Arthur

The Litigators Lindsay G. Arthur

A waste site near Ruthie Bergstrom's house was recently treated with a new process using genetically engineered microbes, and suddenly Ruthie develops a mysterious neurological illness. By chance, she meets a passionate young lawyer at a neighborhood church supper. He feels obligated to find justice for his new struggling client and in the process takes on the largest law firm in Minnesota. How far will Dillon Love go for his client if the end result of his lawsuit is to destroy the brilliant university professor who has dedicated his entire life to improving the environment? How far will Henry Holten go to defeat the graceful woman whose family and financial future is dependent upon the success of her court case?

The Litigators is a riveting page-turner, which asks if there can be any justice for either party without infliction of a great injustice on the other. This winner-takes-all legal battle brings together three tenacious lawyers and their highly worthy clients in a way that forever changes all of their lives.
