Project Eve, #2

Retribution. At any cost.

Now that she knows her name and what she is, she wants justice for everything she's lost. Though her memories elude her, she takes a job for a half-demon Senator and, aided by werewolves from a local clan, intends to uncover evidence that will convict the Senator of more than thirty murders.

Getting to the Senator and finding the necessary evidence is more difficult than she anticipates, especially when there is a bounty for her head. If that were not enough, the vampire who stole her memories returns and reveals unexpected truths. But she's not going to let anything stop her. Not a sadistic assassin or a servant of Lucifer. Not even her ex-lover, vampire God of the Underworld, who turned her. Nothing will stop her from claiming retribution. . .even if the price is her life.
