Never mix work and men. This simple rule has given security specialist Jade Broussard busy days and lonely nights. Only that was before utterly gorgeous art dealer Remy Tremaine crawls into her bed, requesting her protective services.

He presents dangerous new territory. She can't deny the talents of his hands and mouth. Melting the day's work tensions each night is a guilty—if delicious—pleasure. Yet he sidesteps boundaries, while Jade wrote the rule book. No, it will never work out.

But there is an easy solution: catch the bad guy, save her client's life then say goodbye. Too bad Remy's secrets might change Jade's mind. The question is, will it be for better or worse?
