Bloodshot: Kingdom of Shadows (Kindle Worlds) Jonathan Janz

Bloodshot, the super-lethal hero of the Valiant Universe, is back battling underworld mobsters and supernatural heroes above and below New York City.

Everyone's favorite cyborg is informed by old pal Malcolm that Neville Alcott, Bloodshot's partner and boss, not to mention father of the woman he loves, is about to be killed at New York's famed Guggenheim. The assassination is to take place before Alcott unveils a revolutionary counterterrorism program. Bloodshot gets there in time to save the old man, although with all the killing and carnage, the Guggenheim is a little worse for wear. The hit was arranged by Benito Carboni, crime kingpin and Bloodshot's arch-enemy. But before Bloodshot can relax, he learns Carboni has kidnapped Neville's daughter, Jillian. Worse still, her kidnapper turns out to be a vampire who knows the tunnels of New York harbor, a macabre and decadent underground that makes above-ground Manhattan look and feel like Dayton, Ohio.

Spectacularly imagined and flush with heart-pounding action, Jonathan Janz's *Bloodshot: Kingdom of Shadows* is sure to excite Bloodshot's loyal following.
