Combat Operations of the Korean War: Ground, Air, Sea, Special and Covert Paul M. Edwards

This reference work provides information on all known military operations carried out under United Nations command as part of the Korean War. It provides an introductory history of the Korean War and a chronology of Korean War operations. Its entries are arranged alphabetically by operation name and are divided into five sections: primarily ground operations, primarily air operations, primarily sea operations, special operations, and covert and clandestine operations. For each operation, information includes dates, objectives, units involved, place within the greater strategy of the war, and outcome.
