Fearless Rafael Yglesias

Rafael Yglesias's *New York Times*–bestselling novel of trauma, loss, and the bonds formed between victims of catastrophe

Max Klein suffers from many anxieties—including a terrible fear of flying—but after surviving a plane crash his worries vanish and he suddenly believes himself invincible. Back home, a psychiatrist puts him in touch with Carla, a victim of the same crash who lost her infant son and suffers from a morbid, debilitating depression. Now Max and Carla begin a relationship that is sometimes intimate, sometimes painful, and perhaps the only path to recovery for both.

Fearless is a brilliant portrait of trauma and its aftermath—the shock of loss and the sometimes unexpected ways that people learn to cope with disaster.

This ebook features a new illustrated biography of Rafael Yglesias, including rare photos and never-before-seen documents from the author's personal collection.
