Guerrillers del teclat (ORIGENS) (Catalan Edition) Lali Sandiumenge

La Primavera àrab i, en concret, els aixecaments populars que van aconseguir derrocar Ben Ali i Hosni Mubàrak a principis del 2011 no van sorgir del no-res: al contrari, feia anys que s'estaven covant al carrer i al ciberespai. Aquest llibre és un homenatge a la jove generació digital àrab i al paper que ha tingut a l'hora de preparar el camí de les revoltes contra les dictadures que sacsegen el Pròxim Orient i el nord de l'Àfrica. Els bloguers i blogueres que la periodista Lali Sandiumenge ha conegut i entrevistat des del 2004 -i que són els protagonistes d'aquest llibre- tenen una mitjana d'edat de poc més de trenta anys, però ja es consideren a si mateixos membres de la «primera» generació d'activistes digitals. Van ser els pioners i la seva tasca ha estat fonamental per engendrar un nou llenguatge de dissidència i un nou tipus d'activisme per al canvi: individual però col·lectiu, autònom però col·laboratiu, acèfal i descentralitzat, local i regional i, ara mateix, global. *Guerrillers del teclat* mostra la importància que internet ha tingut i té al món àrab per promoure la llibertat d'expressió i la lluita democràtica i contra la tirania, però sobretot és la història apassionant d'un grup de nois i noies que van aprofitar amb valentia i creativitat totes les possibilitats de la xarxa i dels mitjans socials per conscienciar, polititzar i mobilitzar una generació que tothom creia adormida.
