Chekhov's Early Plays Carol Rocamora

Discover the early works of the youthful Dr. Chekhov, whose passion for his two warring muses, comedy and tragedy, is nowhere more evident than in his first three full-length plays, Platanov, Ivanov, and The Wood Demon. These works are assembled in this third volume of the complete plays of Anton Chekhov, newly translated by Carol Rocamora and published in honor of Chekhov's centennial. Platonov, Chekhov's earliest, rarely translated play is adapted by Rocamora from its original, six-hour long, unfinished state into a playable comedy about a Russian Don Juan who copes with his boredom and ennui by victimizing every woman in the district. Ivanov, Chekhov's incarnation of the Russian Hamlet, is a marvel of a character study which has challenged actors from John Gielgud to Ralph Fiennes to Kevin Kline. And finally, The Wood Demon, Chekhov's earlier, comedic version of his masterpiece, Uncle Vanya. Actors, directors and lovers of Chekhov's plays will delight in discovering many of the settings, characters, and themes that later appear in his four major works. Theatres will find three exciting full-length plays infrequently performed in the United States which merit renewed attention.
