Daniel Defoe

Diario del año de la peste (Impedimenta) (Spanish Edition) Daniel Defoe

«Uno de los libros que más influencia han ejercido sobre mí.»

Daniel Defoe

Considerado una de las cumbres de la literatura inglesa de todos los tiempos, el Diario del año de la peste es un escalofriante relato novelado en el que se describen con crudeza los horribles acontecimientos que coincidieron con la epidemia de peste que asoló Londres y sus alrededores entre 1664 y 1666.

Daniel Defoe, con precisión de cirujano, se convierte en testigo de los comportamientos humanos más heroicos pero también de los más mezquinos: siervos que cuidan abnegadamente de sus amos, padres que abandonan a sus hijos infectados, casas tapiadas con los enfermos dentro, ricos huyendo a sus casas de campo y extendiendo la epidemia allende las murallas de la ciudad. El Diario del año de la peste es una narración dramática y sobrecogedora, con episodios que van de lo emotivo a lo terrorífico, un relato preciso y sin concesiones de una altura literaria que todavía hoy es capaz de conmovernos hasta las lágrimas.
