LOOKING TO ADD SOME HEAT TO YOUR DAY?

Man On A Mission

I travel through time and space. It happens every time I have the 'Big O'.

Puberty is a tough time for any adolescent. For me, the difficulties ran much deeper than confusing dreams and sticky sheets. Upon waking up from my first sweet dream about another boy, I found myself half-naked on a highway in the middle of an unfamiliar desert. I had no clothes, no water, and no idea how I got there. I was alone - the state I've been in my whole life since then.

But now I have an opportunity to end it. I've found a place to settle, having met the man of my dreams - one I want to stay with for longer than just one tango. It would involve losing the only constant in my post-pubescent life. Can I do it? Is it worth it, or is it just an idle dream?

Can a drifter ever settle? Or am I cursed to spend my life on the move, chased by nothing and with nowhere to go?

Receive a special bonus following the main story!

This book is full of heat. It is intended for adult eyes only!
