The Returned Jason Mott

Harold and Lucille Hargrave's lives have been both joyful and sorrowful in the decades since their eight-year-old son, Jacob, died tragically in 1966. In their old age they've settled comfortably into life without him.... Until one day Jacob mysteriously appears on their doorstep—flesh and blood, still eight years old.

All over the world people's loved ones are returning from beyond. No one knows how or why, whether it's a miracle or a sign of the end. Not even Harold and Lucille can agree on whether the boy is real or a wondrous imitation. But as chaos erupts around the globe, the newly reunited family finds itself at the center of a community on the brink of collapse, forced to navigate a mysterious new reality.

With spare, elegant prose and searing emotional depth, award-winning poet Jason Mott explores timeless questions of faith and morality, love and responsibility. A spellbinding and stunning debut, *The Returned* is an unforgettable story that marks the arrival of an important new voice in contemporary fiction.
