Income Distribution

Fred Campano, Dominick Salvatore

Income Distribution Fred Campano, Dominick Salvatore

Income Distribution was written primarily as a textbook intended for undergraduate economics majors. The material, however, is treated with sufficient rigor to meet the needs of first year graduate students also. The book may also serve the needs of sociologists and political scientists who are primarily interested in the related social justice topics of income inequality and poverty. Each chapter is logically connected with the preceding chapters, providing a general overview of income distribution and its applications.
