The Art of Blending

Lior Lev Sercarz

The Art of Blending Lior Lev Sercarz

The Art of Blending looks into the mind and work of spice master Lior Lev Sercarz, who has created custom blends for some of the world's top culinary minds.

Since launching La Boîte à Epice in 2006, he has released 41 of his blends to the public, which he sells in gourmet shops and in his Manhattan shop and art gallery-La Boîte.

Sercarz's first cookbook tells the stories behind these blends and offers recipes for each contributed by his clients, which include chefs Daniel Boulud,

Eric Ripert, Michelle Bernstein and Paul Kahan; Parisian baker Apollonia Poilâne and Top Chef's Gail Simmons. All of these recipes make use of the spice blends produced by La Boite; as such it is an invaluable companion piece for the proper experience of the unique blends by La Boite.

From reader reviews:

Linda Pinkerton:

Nowadays reading books become more than want or need but also become a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The information you get based on what kind of e-book you read, if you want get more knowledge just go with knowledge books but if you want really feel happy read one having theme for entertaining for example comic or novel. The actual The Art of Blending is kind of guide which is giving the reader unforeseen experience.

Joyce McDonald:

Information is provisions for anyone to get better life, information today can get by anyone at everywhere. The information can be a know-how or any news even a concern. What people must be consider when those information which is from the former life are challenging to be find than now is taking seriously which one is appropriate to believe or which one the resource are convinced. If you receive the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen inside you if you take The Art of Blending as the daily resource information.

Robert Nobles:

Reading a book tends to be new life style with this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Using book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Many author can inspire their reader with their story or perhaps their experience. Not only situation that share in the guides. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on earth always try to improve their expertise in writing, they also doing some analysis before they write to the book. One of them is this The Art of Blending.

Rochelle Barrick:

Are you kind of busy person, only have 10 or perhaps 15 minute in your day time to upgrading your mind expertise or thinking skill actually analytical thinking? Then you are experiencing problem with the book than can satisfy your short space of time to read it because this all time you only find e-book that need more time to be go through. The Art of Blending can be your answer mainly because it can be read by a person who have those short free time problems.
